

Maximum carrying capacity	400kgs
Unladen weight	200kgs
Number of forward gears	2
Number of reverse gears	1
Maximum speed in forward	1.6 Kph - 3.2 Kph
Maximum speed in reverse	1.9 Kph
Engine make	Mitsubishi
Engine power PS/KW	4.2 / 3.0
Type	GB130, single cylinder
Fuel type	Unleaded petrol
Starting method	East start Recoil pull cord system
Steering control system	Right and left brake lever
Parking brake type	Internal expanding shoe
Body tipping method	Double acting hydraulic
Overall length	1775mm
Overall width	650mm
Overall height	905mm
Ground clearance	130mm
Track centres	460mm
Outside track to track	640mm
Body length, internal	1180mm
Body width, internal	568mm
Body height, internal	275mm
Track contact length	760mm
Track width	180mm
Ground pressure full	0.219kg/cm ² (3.11psi)
Maximum engine noise	68/5 dB(A)
Vibration at handle	8.6m/s ²
