
GST 18 V Professional

Cordless Jigsaw GST 18 V

Handy and powerful

- High-torque Bosch high-performance motor for
- high power transfer
- 4-stage pendulum action for good cutting
- performance
- Ergonomic bow handle with softgrip covering for
- convenient working

- Bosch SDS for rapid, easy saw blade changes
- Especially low-vibration for fatigue-free working
- Accelerator function, ideal for plunge cuts
- Air-blow function for precise working
- Robust aluminium sole plate

Accessories

Part no. 0 601 598 F00

- 3 saw blades T 144 DP (ET no. 2 609 991 424)
- Splinter guard (2 607 010 079)
- Allen key KW 5 (ET no. 1 907 950 006)
- Glide shoe (ET no. 2 608 000 184)

Part no. 0 601 598 F72

- Quick Charger AL 2450 DV (2 607 225 030)
- 2 x 2.6 Ah NiMH batteries (2 607 335 688)
- 3 saw blades T 144 DP (ET no. 2 609 991 424)
- Splinter guard (2 607 010 079)
- Allen key KW 5 (ET no. 1 907 950 006)
- Glide shoe (ET no. 2 608 000 184)
- Bag

Technical data

No-load stroke rate	2.100 spm
Stroke height	26 mm
Slanted cuts	0 – 45 °
Battery capacity	2,6 Ah

Weight incl. battery	3,2 kg
Battery voltage	18 V
Cutting depth	
Cutting depth in wood	68 mm
Cutting depth in metal	11 mm
